Election/Restrictions

Independent claims 1, 19, and 24 are allowable over the prior art of record. The restriction requirement between species 1 and 2, as set forth in the Office action mailed on June 23, 2006, has been reconsidered in view of the allowability of claims 1, 19, and 24. **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.**

Art Unit: 2822

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.
